

ISIC 2022 Offer Online Registrations

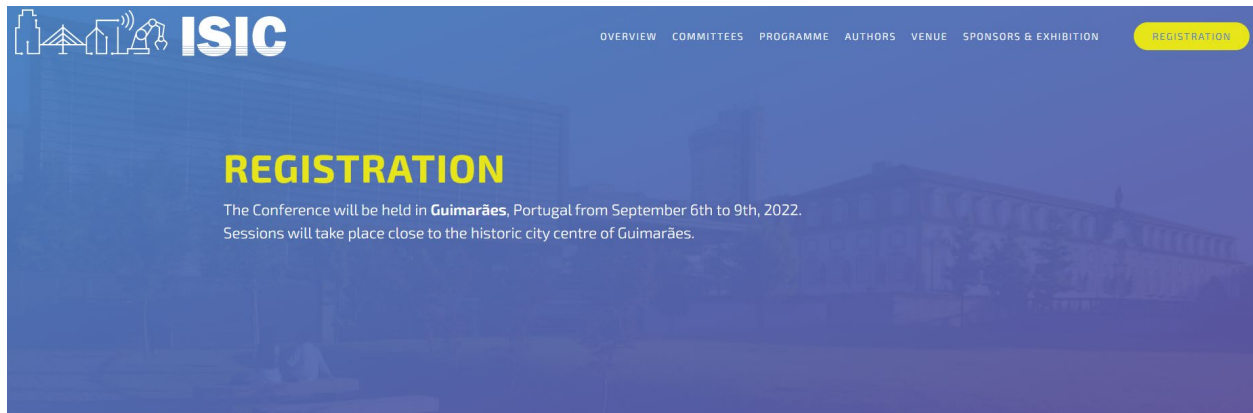

The banner features the ISIC logo at the top left, with navigation links: OVERVIEW, COMMITTEES, PROGRAMME, AUTHORS, VENUE, EXHIBITION & SPONSORS, and a yellow 'REGISTRATION' button. A central purple box says 'OPEN For Registration'. Below it, the text reads 'ISIC INTERNATIONAL CONFERENCE' and 'TRENDS ON CONSTRUCTION IN THE POST-DIGITAL ERA'. The location and dates are 'GUIMARÃES, PORTUGAL - SEPTEMBER 6 TO 9, 2022'. On the right, three book covers are shown: 'Architecture, Structures and Construction', 'Transportation Engineering', and 'AUTOMATION IN CONSTRUCTION'. At the bottom left, the website 'ICISIC2022.com' and email 'icisic2022@civil.uminho.pt' are listed, along with a QR code and a 'You are Invited' graphic.

The International Society for Intelligent Construction 2022 Conference (ISIC 2022) will be held in Guimarães, Portugal, from September 6 to 9, 2022. The conference theme is “Trends on Construction in the Post-Digital Era.” Guimarães, Portugal, is also a UNESCO World Heritage site. The conference topics cover key intelligent construction technologies-related areas, such as Artificial Intelligence for Design and Built Environment, Building Information Modelling (BIM), Construction Automation and Robotics, High Precision Survey and Mapping, Infrastructure Life-Cycle Management, Intelligent Compaction, Intelligent Construction Sites, Intelligent Maintenance Technologies, Internet of Things in Architecture and Construction, Intelligent and Sustainable Environments, Machine Automation, Real-Time Construction Monitoring, Smart Cities, Smart Transportation Infrastructures, etc. Please visit the conference website for further details (<https://icisic2022.com/>) .

To serve those who can not be onsite, ISIC 2022 offer an online option. The online registrants will be able to access the plenary sessions on September 7, 8, and 9, during the morning of the Western European time zone.
